Second Language (Chinese Mandarin)

As a young entrepreneur, I gained confidence by managing challenges and difficult situations. My experience allowed me to develop skills in time management, attention to detail and collaboration. However, I have been passionate about art since I was a child and have always wanted create. I am seeking an opportunity to keep improving my design and animation skills to light up any stage and shine in my new career!

PROFESSIONAL EXPERIENCE

AMNESIA | Multimedia & Motion Graphic Designer

WSUV, August 2021- December 2021 | <https://amnesia-restored.com/>

Worked on a reproduction of the 1986 Interactive Fiction game, published by Electronic and written by Thomas Disch.

- Developed the mood board, logo and brand book
- Collaborated with team of six to organize all the design aspects of the project
- Functioned as design consultant between the design and the animation team
- Individually animated replication model, The X-Street Indexer, for showing on the official game website

HULI | Multimedia Designer

Portland Indie Game Squad Summer Jams, June 2021 | <https://cmdestudios.itch.io/huli>

Published a 2D Puzzle-Platformer Adventure game within a month.

- Created background art design for each level of the game
- Collaborated with a team through remote platforms Basecamp, Slack and Zoom

Bee Happy Farm | Multimedia & Motion Graphic Designer

WSUV DTC 336 Multimedia Design Final Project, Summer 2021

<https://www.figma.com/file/u540KsdYSpdhJXIGL7ahMH/Final-Project?node-id=0%3A1>
<https://www.youtube.com/watch?v=Kn9mJAHdYvs>

Developed the brand identity and the digital promotion design for a fictional local CSA Farm company.

- Designed mood board, logo, and website landing page layout
- Produced individually a five-second time restricted logo animation
- Collaborated with a team of three using the design program Figma
- Gave a presentation describing my design approaches

Dinosaurs Revealed | Motion Graphic Designer

WSUV DTC 336 Multimedia Design, Summer 2021 | <https://youtu.be/8Awb5UAt-iM>

Made a 30-second animated poster for Dinosaurs Revealed Exhibition of Oregon Museum of Science and Industry.

- Researched, collected and organized information from the official website
- Individually produced the animated poster that was intended for publicizing the event on social media

WORK HISTORY

Szechuan Bistro | Owner/Manager

Vancouver WA, 2017 - 2019

- Started, operated and managed restaurant
- Produced and designed a municipal approved floor plan used for the restaurant interior construction
- Designed restaurant menu
